Dear Giving Group Community,

I extend my heartfelt gratitude to you for your unwavering support during these challenging times. Your swift action and generous contribution to Ashkelon city, providing funds for shelters, essential equipment, food, and more, has made a significant impact. You were the first to stand with us during the war, and your compassion has not gone unnoticed. Thank you for being a beacon of hope in our community.

Sincerely,
Tomer Glam
Mayor of Ashkelon
